

The Culprit

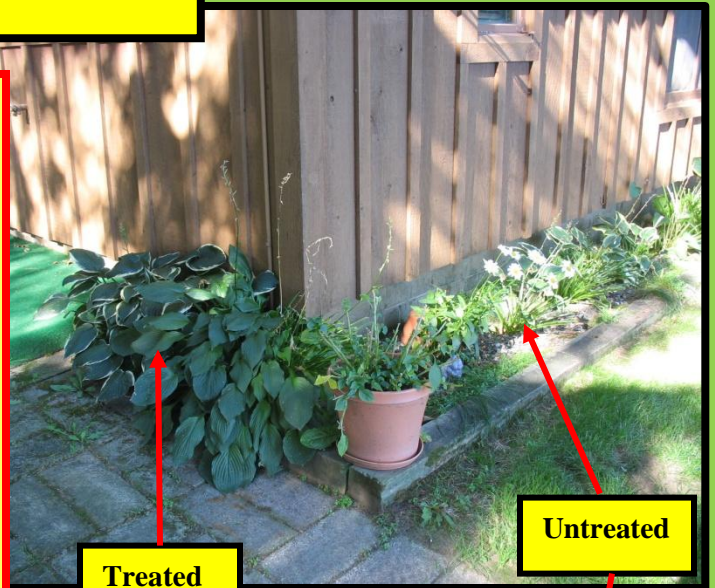

The Damage

*After a year of testing, the results are in. Finally, an affordable & effective deer repellent!*

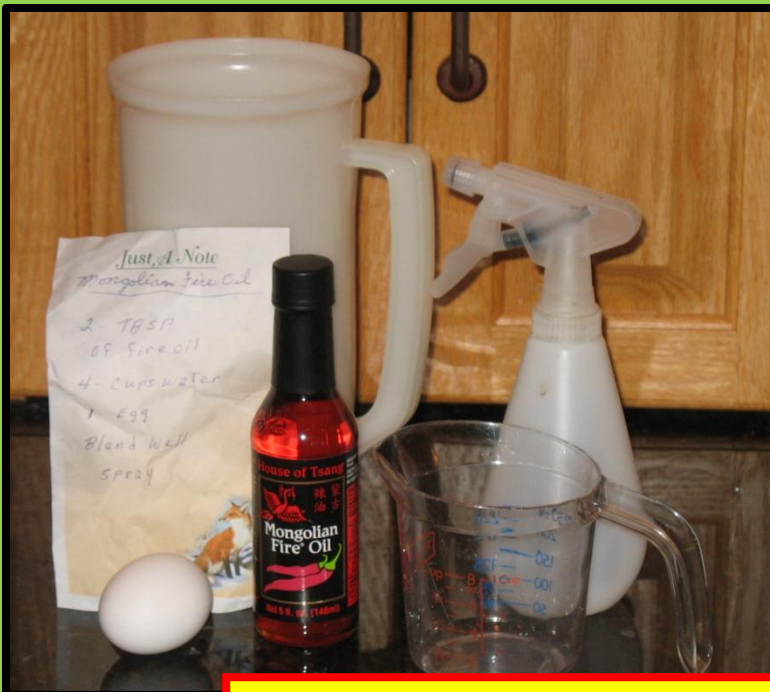

*Mix 2 TBS Mongolian Fire Oil, 1 egg & 4 cups of water. If you can't find it in a store look up House of Tsang on [www.hormelfoods.com](http://www.hormelfoods.com) or go directly to: [http://hormelfoods.elsstore.com/view/category/531-house-of-tsang/?items\\_page=9&page=3](http://hormelfoods.elsstore.com/view/category/531-house-of-tsang/?items_page=9&page=3)*

*( The minimum order is 6 bottles but it's much cheaper than buying repellent and it's a long term battle.)*
